DHIA LACTATION AVERAGES

1956 - 1957

Agricultural Research Service
U. S. Department of Agriculture

DHIA LACTATION AVERAGES

1956 - 1957

On the following pages are tabulations of DHIA 305-day lactation records with 1956 and 1957 calving dates, grouped by State, by breed, by month of calving. These tabulations include records received from the various States by the Dairy Cattle Research Branch, Animal Husbandry Research Division, as a part of the National Cooperative Dairy Herd Improvement Program.

All lactation records were standardized to a mature-equivalent, twice-a-day milking basis.
